SAGE ORGANICS

Gardens

Sage Organics is a charming little Cafe and food shop situated just off Orange Street in Gardens. Run by the super-passionate-about-all-green-things Jason and his assistant Michel, it's the perfect place to hang out if you're wanting healthy organic food to be enjoyed in a friendly sunny space.

The Café offers organic food made with love in the good slow way. Here you can enjoy freshly made live juices and smoothies, a tasty healthy menu and their colourful lunchtime buffets. If you have a sweet tooth, but not so sweet allergies - Jason has just the thing for you - a variety of great gluten and wheat free desserts with a good conscience :-)

For those who enjoy their food at its freshest best, Jason offers a Raw Food spread every Wednesday.

A small organic market is held at Sage every Tuesday from around 11am. You can also catch Jason at the Old Biscuit Mill Neighbourgoods Market on a Saturday, making yummy organic veg wraps and pizza - his stand there is called "PURE LAND".

**Each shop that offers to be a collection point for us, does this free of charge, thus helping make our organic food an affordable reality for everyone. In the spirit of mutual support and sharing, we offer them our site as a platform for linking back to the greater organic community. So, if you like what you see, go visit them, support them, and spread the word!
